

FLORSHINE

POLYMER FLOOR DRESSING

PRODUCT USE:

FLORSHINE consists of polymers combined with other substances to form a floor treatment polish incorporating the latest advances in this field.

ADVANTAGES:

- Polyethylene, for flexibility, light colour, buffability and resistance to powdering.
- Acrylic, for hardness.
- Fluoro-compounds to promote levelling and provide high uniform gloss.
- Plasticisers to contribute toughness without softness.
- **FLORSHINE** is semi buffable, long - wearing, without the inherent slip hazard of carnauba waxes.

PROPERTIES:

Average drying time: 20 minutes.

Coverage: First coat, 40 sq. metres per litre.
Buffable with standard polishing brush or nylon pads.

Self-glossy: Buffable for higher gloss. Cannot become slippery after floor is in use.

Transparent: No discoloration to lightest floors. Will not turn yellow when recoated
Easily removable with **FLORSTRIP**.
Highest resistance to rubber burns and black heel-marks.
No soft "smeary" film or appearance to floor.
Exceptionally high-water resistance.

PRODUCT DESCRIPTION:

Form: Liquid
Odour: Pleasant
Colour: White
S.G.: 1.02

DIRECTIONS FOR USE:

STRIPPING PROCEDURE: Liberally apply **FLORSTRIP** in warm / hot water at a 1 : 5 dilution. Allow to react for 5 minutes. Scrub thoroughly (use nylon scrubbing/stripping pad). Pick up. **RINSE:** Anything less than thorough rinsing is useless. Any residue of the stripper will cause poor bonding of the new coating with the surface.

APPLICATION OF FLORSHINE:

1. Use only clean equipment.
2. Working in straight lines, apply a thin, even coat, to ensure levelling and prevent puddling.
3. Allow to dry for 20 minutes.
4. Apply a second and third coat in the same manner.

Ref. No. 01/24

MAINTENANCE:

- To restore the high gloss, use a polishing machine with a clean brush daily, if possible.
- Scuff marks may be damp-mopped for removal by the polishing brush or nylon buffing pad.
- For traffic-worn areas, strip, then apply with a clean mop, two- three coats of **FLORSHINE**.
- Once the **FLORSHINE** is dry, buff with a buffing pad to restore the high gloss.

PRECAUTIONS:

- Do not take internally.
- Keep out of reach of children.
- Avoid contact with skin and eyes
- Keep away from foodstuffs

FIRST AID:

External: Use rubber gloves if you have sensitive skin.

Eyes: Immediately flush eyes with plenty of cool running water for at least 15 minutes.
Get medical attention.

Internal: If swallowed, immediately drink a large quantity of water. Do not induce vomiting.
Get medical attention.
