

GREASOLV

HEAVY DUTY LIQUID DEGREASER

PRODUCT USE:

GREASOLV a heavy- duty liquid degreaser. The convenient multipurpose formula works great on many surfaces for dissolving greasy and baked on food soils.

ADVANTAGES:

GREASOLV has multiple applications and can be used on ovens, stove hoods, exhaust filters, greasy vents, grills, deep fat fryers, chicken grillers, floors and any other greasy surface except those which are painted or made of aluminium. It is also an excellent drain cleaner.

Product is biodegradable.

DIRECTIONS FOR USE:

Add 500 ml **GREASOLV** to each drain weekly as maintenance.

Spray **GREASOLV** onto the surface to be cleaned and allow penetrating the grease for 1 - 5 minutes, depending on the thickness of the deposit. Wipe off the dissolved and loosened grease with a damp cloth. Rinse with clean water.

NOTE: **GREASOLV** works faster when applied to a warm surface (50 - 60 °C). It is suggested that rubber gloves and long-sleeved garments be worn when using the product.

GREASOLV can also be used in high pressure cleaning equipment.

GREASOLV can be diluted 1 : 3 with warm water.

Ref. No. 01/24
