

LIQUID LAUNDRY DETERGENT

INDUSTRIAL WASHING

PRODUCT USE:

LIQUID LAUNDRY DETERGENT is a single-dose detergent for cleaning and washing industrial laundry classifications. It is suitable for hospital linen, hotel & motel classifications as well table linen and bar mops. It can be used for all of laundry applications and is designed specifically for dosing via automatic systems and all types of conventional washing machines.

LIQUID LAUNDRY DETERGENT delivers exceptional whiteness in hard and soft water and contains fibre conditioning agents as well as anti-redeposition agents and leaves laundry smelling clean and fresh.

PRODUCT DESCRIPTION:

Appearance: Clear liquid with lavender fragrance.

DIRECTIONS FOR USE:

AUTOMATIC DOSING SYSTEMS: The additions will vary between 0.2 – 0.4% of the weight of the load, and will depend on the degree and type of soiling.

MANUAL DOSING:

For washing medium soiled white classifications: **LIQUID LAUNDRY DETERGENT** is used at 250ml / 50kg at 85 °C for 10 – 15 minutes.

For heavily soiled white garments: A two-wash cycle is recommended. Use as follows:

- Wash one @ 65 - 75 °C for 10 minutes with 350 ml **LIQUID LAUNDRY DETERGENT**
- Wash two @ 75 - 85 °C for 10 minutes with 50 ml **LIQUID LAUNDRY DETERGENT**
- Peroxide Type Bleach @ 50 – 55 °C for 5 minutes 100 ml

Ref. No. 01/24

PRECAUTIONS:

- Keep out of reach of children.
- Do NOT swallow.
- Do not mix with acids.

FIRST AID:

Externally: No known effects or symptoms by normal use. If irritated flush skin with cool running water.

Skin: Prolonged contact with skin can cause de-fatting of the skin leading to dryness. Therefore, the appropriate barrier creams should be applied to prevent dryness. If a skin irritation persists, seek medical attention.

Eyes: Immediately flush with plenty of cool running water for at least 15 minutes.

Internal: If swallowed, DO NOT induce vomiting. Immediately drink a large quantity of water, then drink milk or milk of magnesia. Follow with olive, vegetable or mineral oil or raw egg. Get medical attention.

Every endeavour has been made to ensure that the information in this Data Sheet is reliable, but we do not accept any liability for any loss, injury or damage which may result from its use.
