

MAGNUS 92

CEMENT FLOOR CLEANER

PRODUCT USE:

MAGNUS 92 is a fast-working powder cleaner for cement floors. It will economically and safely remove stubborn grease and oil deposits.

ADVANTAGES:

- Cleans, whitens, and hardens cement floors.
- Easy to use. It can be applied as a solution or sprinkled in powder form on a wet floor.
- Economically to use. Just 90 - 120 gram of **MAGNUS 92** cleans up to 10 sq. metres of floor surface.
- Leaves pleasant odour. Product has a pleasant pine fragrance and acts as a deodoriser.
- No fire hazard.

PRODUCT DESCRIPTION:

Form: Free-flowing powder
 Colour: Off white
 Odour: Pine
 pH (1 % solution): 12.2 - 12.5

- *Product contains no caustic. Reactive to acids / oxidizing agents.*

DIRECTIONS FOR USE:

Heavily soiled:

Sprinkle **MAGNUS 92** on wet floor. Work in with stiff brush. Let stand 10 - 15 minutes. Agitate again with brush and flush off with water.

Regular maintenance (light soils):

Make up stock solution by dissolving 35 gram of **MAGNUS 92** in 10 litre of water, preferably warm water. Sprinkle solution over the floor and scrub. Allow to soak for a few minutes, and then rinse off with water.

Painted cement floors:

MAGNUS 92 can generally be used on most of the newer, alkali-resistant floor paints. Spot check is advisable.

Ref. No. 01/24

PRECAUTIONS:

- Keep out of reach of children.
- Product is alkaline.

FIRST AID:

External: In case of contact with sensitive skin or eyes, flush with plenty of cool running water for at least 15 minutes.
 Eyes: Immediately flush eyes with plenty of cool running water for at least 15 minutes.
 Internal: If swallowed, immediately drink a large quantity of water. Get medical attention.
