

MAGNUS WATERLESS HAND CLEANER

A CREAM EMULSIFIABLE HAND CLEANER

PRODUCT USE:

A cream emulsifiable hand cleaner for quickly and safely removing ingrained grime and dirt, printing inks, carbon, grease, tar and asphalt, paint and caulking compounds, waxes, adhesives, oil and varnish, gum putty and rubber cement.

ADVANTAGES:

- Cleans quickly and thoroughly.
- Leaves no sticky film.
- Will not promote dermatitis.
- Easily rinseable with water.
- Gives maximum skin protection.
- Pleasant fragrance.
- Premier cleaner for use where water is not available.
- Contains no ammonia, chlorinated or aromatic solvents or other skin- defatting ingredients.
- Contains no abrasives, not harmful to skin.

PRODUCT DESCRIPTION:

Appearance: Smooth white cream

Odour: Pine

Ingredients: Contains both, soaps and surfactants, giving excellent detergency on water soluble soils, plus grease dissolving ingredients

Flash Point: None

DIRECTIONS FOR USE:

Apply to dry hands only. Rub in just enough to cover both hands with thin film- excessive amounts will delay the breakdown of material and will slow down the cleaning action. Massage over the skin and around fingernails until the material liquifies. Wipe off loosened soil with a cloth or paper towel or rinse with water if desired. It can be dispensed through a hand care dispenser.

Ref. No. 01/24

PRECAUTIONS:

- Keep out of reach of children.
- Can cause eye irritation.

FIRST AID:

Eyes: Immediately flush eyes with plenty of cool running water for at least 15 minutes. Get medical attention.

Internally: Do not induce vomiting. Drink large amounts of milk or water. Get medical attention.
