

PANSOLV

HEAVY DUTY DETERGENT TO WASH PANS, POTS, RACKS AND
IT IS EXCELLENT FOR BAKERY PAN WASHING MACHINES

PRODUCT USE:

PANSOLV is a free flowing slightly orange granular powder used to clean tin and aluminium pans, galvanised trays and metal carts.

ADVANTAGES:

- **PANSOLV** contains inhibitors that will protect the metal of the pans.
- **PANSOLV** will not pit, corrode or discolour aluminium or tin.
- **PANSOLV** is completely effective in eliminating protein foam.
- It allows maximum wash pressures to be used, for the most effective cleaning.
- **PANSOLV** can be used in hard and soft water areas.
- **PANSOLV** penetrates and removes the most stubborn burnt on dough, fat and sugar deposits from tin and aluminium pans.

PRODUCT DESCRIPTION:

Form:	Granular powder	Wetting ability:	Excellent
Odour:	Distinctive tinge	Foam:	Positive-medium
Colour:	Slightly orange	Biodegradable:	Yes (90%)

DIRECTIONS FOR USE:

Use **PANSOLV** in the pan washing machine at a concentration of 4 - 8 grams per litre of water at temperatures of 60 - 70 °C. The washing time will depend upon the degree of soiling. Overnight pre-soaking is recommended for very badly soiled pans.

PANSOLV can also be used by first soaking the pans and then scrubbing with a brush. Use rubber gloves and hot water when hand scrubbing.

Ref. No. 01/24

PRECAUTIONS:

- Danger: Harmful if swallowed. Do NOT ingest.
- Keep out of reach of children.
- Avoid contact with skin or eyes.
- Contains caustic soda - can cause burns. (use protective gear)

FIRST AID:

External: Flush skin with cool running water, and then wash with vinegar.
Internal: Drink large amounts of water followed by vinegar or citrus juice. Follow with olive oil. Do not induce vomiting. Get medical attention.
Eyes: Flush eyes with cool running water. Wash eyes out with a 5% Boric acid solution. Get medical attention if needed.

Every endeavour has been made to ensure that the information in this Data Sheet is reliable, but we do not accept any liability for any loss, injury or damage which may result from its use.
