

ROBUST

CONCENTRATED LIQUID DETERGENT

PRODUCT USE:

ROBUST is a concentrated general purpose liquid detergent which contains an ideal balance of wetting agents to assure quick penetration of protein food soils and clear free rinsing. It can be used in all applications where a good general purpose product is required for floors, windows, walls and general food processing equipment.

ROBUST is also often used as a foam booster for foam cleaning with other cleaning products that do not foam well enough on their own.

ADVANTAGES:

- Liquid detergent concentrate.
- Broad application, non-phosphate cleaner.
- Exceptional wetting action.
- Cuts greasy soils readily and rinses clear.
- Generates copious stable foam.
- Biodegradable.
- Acid and alkali stable.

PRODUCT DESCRIPTION:

Form: Clear liquid	Wetting ability:	Excellent
Colour: Yellow	Biodegradable:	Yes
Odour: Pleasant	pH (1% solution):	7,6
Foam: Excellent	S.G.:	1,03

DIRECTIONS FOR USE:

For general maintenance cleaning dilute **ROBUST** as follows:

0,6 - 1,0 % = 6 - 10 ml / litre water = 150 - 250 ml / 25 litres water.

To produce standard acid foam slurry for override cleaning, dilute **ROBUST**, 1 in 250 in a suitable acid product, added to an equal part of water.

For alkaline foam slurry, use 2½ times this amount.

Ref. No. 01/24

PRECAUTIONS:

- Keep out of reach of children.
- Do NOT ingest.
- Avoid contact with eyes. (Irritant)
- Use rubber gloves by prolonged use.
- Do not re-use containers.

Product Data Sheet

FIRST AID:

- External: In case of contact with skin or eyes, flush with plenty of cool running water for at least 15 minutes. Get medical attention if needed.
- Eyes: Immediately flush eyes with plenty of cool running water for at least 15 minutes. Get medical attention.
- Internal: If swallowed, immediately drink a large quantity of water. Do not induce vomiting. Get medical attention.

Every endeavour has been made to ensure that the information in this Data Sheet is reliable, but we do not accept any liability for any loss, injury or damage which may result from its use.
